SPECIAL CONDITIONS ADDENDUM FOR FILMING
NEAR THE INTERSECTION OF
ALMA REAL DRIVE & OCAMPO DRIVE
(700-800 BLOCKS OF ALMA REAL)

Alma Real and Ocampo Drives form a three-way intersection in which Ocampo meets Alma Real at an awkward angle just as Alma Real begins to curve south. These streets are heavily used by area residents and parking equipment in various areas results in decreased visibility and an unsafe situation. To mitigate safety concerns and balance filming use with neighborhood general welfare, the following conditions have been crafted and are a part of the filming permit. **Violations of these conditions may result in permit revocation or other administrative action.**

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land use ordinances.

- **Equipment parking is prohibited in the following areas:**

    1. **From the driveway of 765 Alma Real Drive to the drive way of 809 Alma Real Drive on the west side of the street,**
    2. **From the drive way of 800 Alma Real Drive to the drive way of 814 Alma Real Drive on the east side of the street, and**
    3. **In front and side of 777 and 790 Ocampo Drive.**

- **A FilmL.A. monitor will be assigned to encourage compliance with the permit and conditions.** The monitor will generally arrive at the designated location **1 hour prior** to the permit start time to note proper arrival time and remain with the production company during all filming related activities to monitor permit compliance and proper departure time.

- **At least one off-duty LAPD officer, certified to work motion picture locations, is required at this location.** The officer is responsible for enforcing all conditions of the permit and for controlling traffic to ensure the safety and welfare of area residents when entering or exiting driveways where visibility is impaired by production equipment. This responsibility is a proactive one and should not require residents to search out the officer for help. If there are other traffic control needs, additional officers must be employed.

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The Huntington Palisades is part of the Pacific Palisades bounded by Sunset Boulevard on the north, Chautauqua Boulevard on the east, Alma Real Drive on the west and Corona Del Mar Drive on the south. These Special Filming Conditions apply to the following streets: Alma Real Drive, Almoloya Drive, Altata Drive, Alva Drive, Camarosa Drive, Chapala Drive, Chatauqua Boulevard, Corona Del Mar, El Cerco Drive, Frontera Drive, La Cumbre Drive, Ocampo Drive, Pampas Ricas Boulevard and Toyopa Drive. Everything in this Special Filming Conditions document is part of all filming permits issued for this location.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*

- **A production company representative must contact the Huntington Palisades Property Owners Corporation to notify them of their intent to film in the area**. The production company must contact the homeowners' association immediately after applying to FilmL.A. for a permit if this contact has not been previously made. The contact person for the association is Jeaneen Fabbro, Administrative Coordinator, or Jennie Chesley, Assistant Administrative Coordinator, Huntington Palisades Property Owners Corporation, P.O. Box 1585, Pacific Palisades, CA 90272; (310) 454-4913.

- **No parking is permitted on either side of the street at or near the sharp curve connecting Alma Real and Corona Del Mar.**

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
